

# Cayman 2026

November 2–3, 2026

Hotel Indigo Grand Cayman · Seven Mile Beach

Where family offices and allocators meet capacity-constrained managers they will not see on a larger conference floor.

## Complimentary for vetted allocators.

Allocator and family-office passes are complimentary and issued on verification. Spaces are limited — the room is built around the ratio, not the gate receipts.

**Allocator / LP pass**  
Verification required

**Complimentary**

**Family-Office-Only session**  
Before the conference opens

**Family offices**

**Why allocators come here.** We program for differentiated managers running genuinely niche, capacity-constrained strategies — the ones the regular conference circuit never puts in front of you.

### WHO IS IN THE ROOM

#### The room.

One to one by design — for every manager in the room, a family office or wealth owner evaluating them.

|                                     |        |
|-------------------------------------|--------|
| Family offices & wealth owners      | 35–40% |
| Fund managers                       | 35–40% |
| Tech founders & entrepreneurs       | 10–15% |
| Legal, advisory & service providers | 10–15% |

Allocators include RIAs, wealth managers, family offices, UHNW investors and institutional capital. Service providers are capped at one in ten.

### THE SHAPE OF THE TWO DAYS

#### DAY ONE · MONDAY

|           |                                              |
|-----------|----------------------------------------------|
| MORNING   | Family-office-only sessions                  |
| AFTERNOON | Allocator panel and investor-led roundtables |
| EVENING   | The Big Party — at conversational volume     |

#### THEMES ON THE 2026 AGENDA

|                                                                          |                                                                                  |                                                                                         |
|--------------------------------------------------------------------------|----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------|
| <b>The jurisdiction</b><br>Formation, structuring, and what is changing. | <b>Where capital is flowing</b><br>Allocator outlook for the next twelve months. | <b>Tokenization &amp; digital assets</b><br>Stablecoins, on-chain funds, and the rails. |
| <b>Hidden niches</b><br>Capacity-constrained strategies you rarely see.  | <b>AI in the investment stack</b><br>What is real, and what is already deployed. |                                                                                         |

### RESERVED FOR ALLOCATORS

#### What the pass carries.

Open to all vetted allocators, except where noted.

- **Family-Office-Only session**  
Single and multi-family offices only — not RIAs, wealth managers or institutional allocators. Monday morning.
- **Investor-led roundtables & LP-led panels**  
Allocators set the agenda and sit on the stage, not only in the audience.
- **Closed-door allocator sessions**  
Peer conversation without managers present.
- **Curated introductions**  
Made on request. Never a quota, never an obligation.

#### DAY TWO · TUESDAY

|           |                                              |
|-----------|----------------------------------------------|
| MORNING   | Keynote fireside and main stage              |
| AFTERNOON | Keynote lunch, strategy sessions and closing |
| EVENING   | Closing cocktails                            |

#### Request your allocator pass

Verification takes a few minutes. Spaces are limited.
